# A lifetime of care for your companion

Vetsure is more than a pet insurance company. We are devoted to working with your vet to look after your beloved feline friend - not just until your next renewal, but for the whole life of your companion.

## Compassionate pet insurance

Helping you budget for your cat's veterinary care is a serious business but, as cat lovers, we also understand the importance of the human touch. Take a look at [Trustpilot.com](https://www.trustpilot.com) to read what our customers think of us.

*“Our cat Joy was very poorly. Knowing that our vet would receive full and direct payment meant we could just get on with looking after Joy and making sure she was ok. Vetsure made a very stressful and worrying time less stressful.”*

## Working together with your vet

When your cat is insured with Vetsure, you can use any vet in the country, but we encourage customers to use a trusted **Vetsure Accredited Practice** with lower excess payments.

Choosing an accredited practice makes the claims process even easier as we can guarantee direct claims – leaving you free to focus on your cat's recovery.
